NUMBER 5

Albany to Try For 1966 'All America City' Award

Albany will enter the All-America City Award contest this year, Administrative Officer James B. Turner has announced.

The official entry is almost ready for submission. Deadline for entering is Sept. 19.

The award is made annually to 11 cities judged by a panel of experts to best exemplify accomplishments of citizens who are determined to improve their communities.

Albany's application will be based on accomplishments of the past five years, which included passage of two major bond issues in one year after each had failed twice previously; adoption of the General Plan; Chamber of Commerce street lighting project, which will get under way this fall; additions and renovations to existing businesses plus new businesses coming to the city, creation of off-street parking, and other individual and club projects which have brought a new sense of civic spirit to the city.

Obviously, he said, the turning point was in January, 1961, when the citizens of Albany brought about a change in their city government through a recall election, which has been termed "a classic demonstration of democracy in action."

According to rules of the contest, sponsored by the National Municipal League and Look Magazine, routine actions of government are not what officials are

looking for. The city must give evidence that achievement resulted from "citizen action" — that is the initiative and effort of a substantial number of citizens acting to improve their community.

"Every major accomplishment in Albany during the past five years has been prompted and worked upon by large numbers of volunteer citizens," Turner said. "Albany still has problems, but the people have come a long way in attempting to solve them."

School Cafeterias To Increase Prices This Year

With the opening of school on Monday, Sept. 12, cafeterias at Marin and Cornell and Albany High School, as well as the High School Snack Bar, will be ready to serve the usual large numbers of young people.

The District Office has been notified that federal surplus commodities, such as meat, poultry, butter and cheese will not be available during the school year 1966-67.

Albany School Cafeterias have been self supporting, with only one increase in meal prices in over ten years.

To offset the loss of federal surplus food and to continue the self-supporting cafeteria operation, it will be necessary to increase meal prices by 5c for students and 10c for adults — 30c to 35c in the elementary schools — 40c to 45c at Albany High School, with Snack Bar prices also increased 5c per item. Mrs. Jennie Niemela, cafeteria manager, has stated that every effort will be made to maintain high quality of delicious meals and hopes that parents will urge children to continue the fine patronage that was enjoyed last year.

The Board of Education has stated that should surplus foods again be available every consideration will be given to the reduction of meal prices.

Assistant City Clerk Injured

Sarah Brockway, assistant to City Clerk Myrtle J. McLean, accidentally strained her back on Aug. 24 and has been a patient at Brookside Hospital. She is expected to return to work after Labor Day, but she will be on crutches.

Mrs. McLean said that Sarah had to wait from morning until late afternoon on the day of her injury because her doctor was unable to find a hospital that had an available bed.

Moose Roundup Sept. 10

Albany Moose lodge 1972 will sponsor a roundup dance Saturday night, Sept. 10, featuring dinner from 8 to 10 p.m. and dancing to live music until midnight.

The dance will be held at "Slippery Gulch," 533 San Pablo Ave. Admission is \$2 per person. Tickets may be purchased at the door.

Women of the Moose Plan Spaghetti Dinner September 4

Albany Women of the Moose will serve a spaghetti dinner at 338 Richmond St., El Cerrito, beginning at 2 p.m. Sunday, Sept. 4.

For children under 12, a donation of 50 cents will be asked. Donations for adults are \$1.25. Live music will play for the enjoyment of those attending.

ALTEENS ANNOUNCE BOAT DANCE SEPT. 16

Alteen Club President Terry Cadigan has announced that 250 reservations are needed for a Boat Dance scheduled for Friday, Sept. 16, from 9 p.m. to midnight.

For \$1.50 each, young people may cruise around moonlit San Francisco Bay while dancing to the music of the Staton Brothers

of Hayward. A snack booth is on the boat, the Harbor Princess, Cadigan said.

The boat will leave the Port of Oakland at 9 p.m. sharp, he said, adding that application slips are available at the Recreation Department and the closing date for having money in is Monday, Sept. 12.

Cleveland Almost Finished

THE NORTH ENTRANCE to Albany from the freeway, Cleveland Ave., long an eyesore and subject of many citizen complaints to the Council—including those of a 13-year-old girl, has been completely reconstructed and resurfaced. Work on the street, which is slightly over a quarter of a mile in length, was begun in mid-July. According to Administrative Officer James B. Turner, the project will "be all wrapped up" by Labor Day. The above photo was taken facing south.

DR. LAURENCE L. CROSS OF NORTHBRAE IS DEAD

Dr. Laurence L. Cross, 74, Pastor of the Northern Community Church of Berkeley, passed away early Saturday morning. Dr. Cross served the Northbrae Church for the past 42 years. Several years ago, he designed and directed the building of Northbrae Community Church's beautiful sanctuary. Flowers and their cultivation were his hobby and he planned the lovely gardens surrounding the sanctuary.

Doctor Cross served the city of Berkeley as mayor for two terms. For 10 years, his radio broadcast, "Crosscuts from the Log of the Day," was known and enjoyed by literally millions of listeners. He served as president of the Berkeley Red Cross for seven years during World War II.

A native of Gastonburg, Ala., he was a member of Indian Rock Masonic Lodge 638 of Berkeley.

He is survived by his wife, Erma Gilbert Cross, at the family home, 2064 Los Angeles Ave., Berkeley. His children are Barbara G. Lachelt of San Anselmo, Gilbert M. Cross of New York City, Miriam C. Shelton of Corona Del Mar, Marimae Cross of Eugene, Oregon, Laurence Leand Cross of Hong Kong and Richmond C. Cross of Eugene, Ore. He is also survived by nine grandchildren.

Doctor Cross comes from a family of ministers. His father and two brothers were men of the cloth. His last surviving brother died several years ago. He was Dr. Frank Cross, Sr., Pastor of the Ensley Presbyterian Church of Birmingham, Alabama.

His nephew, Dr. Frank Cross, Jr., of Harvard, was one of the team who interpreted the Dead Sea Scrolls.

Services in his memory were held Tuesday, Aug. 30, at Northbrae Community Church, conducted by Dr. Vere V. Loper, acting pastor.

Interment will be in the family plot in Gastonburg, Ala. Ellis-Olson Mortuary of Albany are in charge of services.

Memorials in his memory to the Dr. Laurence L. Cross Memorial Fund of Northbrae Community Church will be appreciated.

The course is recommended for everyone interested — adult or junior — in the safe handling of fire arms. No charge is made for the course and enrollment is limited. Those interested in this course should go directly to Room 122 at the first meeting.

COUNCIL

Albany Receives Another Pedestrian Safety Award

Robert K. Kunkel, manager of Berkeley district of California State Automobile association, presented another Pedestrian Safety Award to the city of Albany at the regular City Council meeting Monday night.

Albany had no pedestrian fatalities in 1965, he reported in presenting the plaque.

Mayor Richard O. Clark accepted the award, which will be presented to the Police Department.

"We are proud of our police department and all department which have relationship to safety," he said, adding that some of the credit must go to the school for the school traffic patrol which enable children to cross safely at busy intersections.

Four resolutions pertaining to the Nov. 8 general election passed unanimously.

Following a 3-2 split last week on a charter amendment to permit voters to decide whether the city clerk position should be elective or appointive, Council votes 5-0 for the resolution Monday night.

(Councilman Joe Egenberger said he had been misquoted last week, adding he did not say he would be involved in the campaign against the city clerk proposal. He said he believes the people will act "in their wisdom.")

Also to be on the general election ballot will be a provision to amend the city charter to permit Council to establish its own salary.

In related action by resolution Council called for a special municipal election to be consolidated with the general election and requested the county to consolidate it.

At the request of Mayor Clark Council voted to ask the Board of

(Continued on Page 3)

Next Council Meeting Tuesday, Sept. 6

Wishing the citizens of Albany a happy and safe Labor Day weekend, City Council announced Monday night that the next regular meeting will be at 8 p.m. Tuesday, Sept. 6.

At that time, art work selected for the Civic Center will be presented by Chamber of Commerce President Joe Dagna. It is hoped that the artists also will be present. The work was chosen at the recent Art Show and Merchants Bazaar.

Wall Ball Endurance On Labor Day

In the wake of record-setting endurance feats in basketball and fire-hydrant squatting, the world's "wall ball" record for longevity will be attempted at Memorial Park on Labor Day, Sept. 5.

Larry Eaton, 1265 Portland Ave., Mike Still, 601 Carmel Ave., John Whitman, 724 Ramona and Harold Manuel, 1208 Cornell, Berkeley, are the four stalwarts who will begin playing at 5:30 a.m. The game will continue without interruption until darkness covers the field.

"Wall ball", also known as "strike-out" employs shortened field distances, and a tennis ball instead of a baseball. The south side of the Albany High School gymnasium and the north side of the Albany Pool will provide the necessary walls.

Religious Film At Gracemont Sunday Evening

Sunday evening, "Magnificent Heritage" will be shown at the Gracemont Baptist Church, 1221 Marin Ave., Albany.

This historical drama presents the important role that John Leeland, Baptist's Apostle of freedom, played in the struggle for religious liberty in America.

It is an entertaining, inspiring, and educational film of feature length (55 minutes) and is in beautiful color. The service will begin at 7 p.m. and everyone is cordially invited.

NOTICE

Unpaid unsecured personal property taxes will be delinquent at 5 p.m. today (Aug. 31) and thereafter a delinquent penalty attaches to them.
Myrtle J. McLean
Assessor

Where's The Fire?

Albany Fire Department calls: Aug. 19, inhalator, 1437 Port land, Elizabeth Pun. Oxygen administered until private ambulance arrived.

Aug. 20, auto fire, 1000 block of Solano, improper battery installation.

Aug. 20, public service, Solano and San Pablo, wind broke rope holding Art Show, Bazaar banner.

Aug. 20, electrical short, 922 Ventura, Mrs. Boris Fine, found short in wiring to fish tank.

Aug. 23, auto fire, Solano and San Carlos, faulty fuel pump.

Aug. 24, public service, 403 Kains.

Aug. 24, public service, 625 Madison.

Aug. 25, inhalator, 1191 Solano, Robert Larkin of Richmond reported electrocuted, however patient had been freed when fellow worker pulled the master switch, breathing O.K., taken to Herrick for checkup.

Aug. 26, inhalator, 1020 Stannage, Charles Anderson taken to Herrick hospital.

5 YEARS OF LABORATORY RESEARCH PAYS OFF!

new antenna design breaks
all performance records
for color, black and white,
and FM reception...

Better Pictures

Covered by 3 U.S. patents, the revolu-
tionary new Color Crossfire antenna is
the latest advance from the famed
Channel Master Research and Develop-
ment Laboratory. It delivers sharper,
clearer TV reception than any other
antenna on the market.

Top Value

Because of its electronically superior
design, Color Crossfires easily outper-
form competitive antennas costing \$10
more. They're unbeatable for eliminat-
ing snow and getting rid of fuzzy,

Color Crossfire, the remarkable
new TV/FM antenna.

blurred pictures that are so annoying
on Color TV.

Exceptionally Rugged

The Color Crossfire is built to stand up
to punishing winds and brutal ice
storms that topple ordinary antennas
left and right. To insure year after
year of trouble-free TV enjoyment, the
entire antenna is weather-proofed with
a protective "golden overcoat".

From the world's largest manufacturer of TV reception equipment.

Ward Armstrong Named By Mason-McDuffie

Partners of Mason-McDuffie Co.
announce the election of Ward D.
Armstrong as Chairman of the
Executive Committee of the Part-
nership. Armstrong, a senior
partner, also manages all mort-
gage loan activities, including
farm loans, for Mason-McDuffie
Co., well-known real estate and
mortgage banking firm.

Prior to his association with
Mason-McDuffie Co., Armstrong
was identified with the American
Trust Company, now Wells Fargo
Bank, and the National Bank of
New York. He served the Federal
Land Bank and Farm Credit Ad-
ministration in Berkeley and
Washington, D.C. during the pe-
riod of 1933 to 1943.

Armstrong is a member of the
Agricultural Committee of the
Mortgage Bankers Association of
America, and is also a member
of the Merchants Exchange Club
of San Francisco.

KENSINGTON MAN NAMED BY MASON-MCDUFFIE

Kenneth J. Warren

Mason-McDuffie Co. announces
the appointment of Kenneth J.
Warren as General Manager, suc-
ceeding the late Maurice G. Read.

Warren, recently elected presi-
dent of the California Mortgage
Bankers Association is a senior
partner of Mason-McDuffie Co.
and has served as Manager of its
East Bay Residential Loan De-
partment since 1955.

In addition to his experience in
the field of mortgage banking,
Warren has a thorough back-
ground in real estate. He joined
the sales staff of Mason-McDuffie
Co. in 1949, and became a partner

of the firm in 1951.

A past president of the Berke-
ley Realty Board, Kenneth War-
ren has also served as a faculty
member of the Stanford School
of Mortgage Banking, and is a
past president of the Mortgage
Bankers Association of Northern
California.

With his wife, Hazel, and three
daughters, Warren resides at 28
Sunset Drive, Kensington.

Sam Dows Finance GOP Chairman

Col. Samuel R. Dows (Retired)
has been appointed Finance
Chairman for the 17th Assembly
District. Col. Dows graduated
from Stanford as a Mechanical
Engineer but turned to Govern-
ment finance and has a Certifi-
cate in Public Administration
from the University of California.
Dows is prominent in fraternal

organizations. He is "Big Six"
of East Bay Branch, Sons In Re-
tirement; a director of the Albany
High Twelve Club; a member
of Thousand Oaks Lodge 478,
F&AM; and Secretary-Treasurer
of the Thousand Oaks Masonic
Temple Association. His office is
at Republican Headquarters, 1717
University Ave., Berkeley.

Supervisors to delay action on the assessor's request for property for reassessment until the Mayor's Conference and the City Board of Supervisors have had time to evaluate and understand the impact.

Clark said there is danger of an abrupt change of assessed value to 25 per cent and he feels it would work a hardship on taxpayers.

Chief Gerald Browne's recommendations of the appointment of Frank E. Westphal as probationary fireman and Thomas E. Hoffman as probationary captain were approved.

The County Board of Supervisors granted Council consent to sell at public auction a half-acre tract between 829 and 833 Ramona.

An adjustment was made in the salary of Carla Stickley due to error. A five-year lease for buildings at University Village was approved.

Chapter of the National Safety Council will be invited to speak at the Sept. 12 Council meeting.

The meeting was adjourned at a minute of silence in memory of former Mayor Laurence Ross of Berkeley, who in the words of Councilman Lewis How-

was "a great spiritual leader of the people of this city."

Michael P. Fahmie left Sunday, Sept. 21, for San Diego, where he will be in basic training with the U.S. Navy.

New Look for PG&E Bills

The age of the computer will bring a billing improvement to natural gas customers of Pacific Gas and Electric Company, starting in September, if a filing made with the California Public Utilities Commission is approved.

The proposal will have only slight, if any, effect on the amount of a typical bill. Its overall effect will be a slight decrease in the company's gas revenue.

But the change in the method of measuring gas—using "terms" of heat instead of "cubic feet" of gas—will result in an even greater degree of accuracy in terms of energy delivered, according to PG&E.

A company spokesman explained that the natural gas delivered to customers comes from numerous oil and gas fields in California, the Southwest and Canada. The heat content of the gas from these various sources differs. And because the volume of gas taken from each source changes from time to time, there's some variation in the heat content of the fuel delivered throughout the PG&E system.

A customer's meter records the volume of gas, and until now billing units have been expressed in terms of cubic feet. The cubic feet used have been billed at different rates, based on rather broad bands of heat values of the gas, as it hasn't been practical to make changes for minor variations in the heat content.

But now—thanks to computers—it's possible to handle large volumes of billing data, including the processing of the many daily heating values of gas supplied from the system. With this information, a bill will reflect even minor variations in the heat content (Btu's) of the gas.

A Btu (British thermal unit) is

the universally-accepted measure of heat and is the quantity of heat required to raise the temperature of one pound of water one degree Fahrenheit. However, as the Btu is a relatively small unit, it is customary to use a therm, 100,000 Btu, as the unit of measure.

Bills for PG&E's industrial, resale and interruptible gas users were changed, with commission authorization, to rates based on therm in June of this year. The filing will change the billing system for all domestic and commercial customers.

My Word ...

INSTITUTE FOR ALBANY TEACHERS SEPT. 6-8

The opening fall institute meetings for the professional staff of the Albany Schools are scheduled for Tuesday, Sept. 6, thru Thursday, Sept. 8. The Tuesday session will consist of a morning orientation meeting at the administration offices for all teachers new to the Albany Schools followed by a luncheon meeting hosted by the Albany Teachers association.

The Sept. 7 and 8 institutes will be held in the Cornell School auditorium proceeded by a coffee hour in the school cafeteria at 7:30 a.m. Speakers will include Superintendent Kenneth M. Forry and Charles A. Pinkham, school board president. At the Thursday morning session Edmund J. Farrell, supervisor, secondary education, UC, will speak on the topic, "Listen, My Children and You Shall Read." A staff panel composed of Robert Ruebman, Marien Matlin, Vida Weiner, Ruth Roderick, Pauline Mayer and William G. Woolworth, will react to the ideas and issues presented by Farrell.

School principals will conduct staff meetings in the afternoons and teachers will make the necessary preparations for the opening of school on Monday, Sept. 12.

Great Books Leader Training

Mrs. Sidney Heller, board member of the East Bay Great Books Council, announces a free adult leader training course, starting Thursday, Sept. 8, 10 to noon, West Auditorium, Oakland Main Library, for eight successive weeks, taught by Howard Will, staff member Great Books Foundation.

Junior and Senior high students meet after school every two weeks to discuss some of the great books of our culture. Student groups have been meeting in Orinda, Alameda and Oakland. Volunteer leaders are needed in other East Bay communities to guide Junior Great Books discussion groups.

Those who like to read, discuss ideas, enjoy young people, work with them and believe they can think for themselves are urged to come to the training course.

Berkeley Lodge 270, Independent Order of Odd Fellows, will meet Thursday, Sept. 1 at 8 p.m., in the Berkeley Odd Fellows' Temple, 2288 Fulton Street. An invitation is extended to all East Bay Odd Fellows.

POISONS

Four-fifths of all poisonings in the United States take place in private homes, points out the National Automobile Club.

Albany High School Football News

Something new is occurring at Feeny Field, formerly Cougar Field, for a transformation is taking place. The Cougars are sharpening their claws and taking on a ferocious look as the surrounding neighbors and interested spectators can tell you.

Enthusiasm is the best word to describe the way in which the football team has plunged into the task of preparing itself for the coming season.

The coaches have been coming up with something new every day to challenge the team but the boys have been rising to the challenge.

After last week's running and exercising, this week finds the Cougars in full battle array, tackling and blocking, eagerly preparing for the season's home opener with Marin Catholic on September 16. In an effort to allow the boys to keep their summer jobs as long as possible, two practice sessions are being held this week, one at 9 a.m. and the other at 6 p.m., with the boys only having to attend one of them. The players, proud of their team and of what they have ac-

complished, would be happy to have their parents, friends or interested spectators come and watch the Cougars sharpen their claws.

The newest of the Cougars, the freshmen, received letters from the coaches informing them of the date for their physical, Sept. 6 at 6 p.m., and procedures they will undergo in order to become apprentice Cougars. Any freshman boy who has not signed to play football can attend this physical and join the team.

Eisner-Dalmas Rites

Mr. and Mrs. Dale Dalmas
(Janice Lynne Eisner)

—Fern Luoma Photo.

Janice Lynne Eisner, daughter of Mr. and Mrs. Edward Eisner of 640 Stannage, became the bride of Dale Robert Dalmas, son of Mr. and Mrs. Kenneth R. Dalmas of 705 Santa Fe, in recent rites at Northbrae Community church.

Given in marriage by her father, the bride wore a white cotton brocade gown in an A-line design. A short train effect was set off with a white bow. Her brief white lace veil fell from a crown of cotton feathers. She carried a nosegay of white carnations and pink baby roses.

The bride's sister, Christine Louise Eisner, wore a pink crepe frock. Best man was John A. Long of Fresno. Ushers were Steven E. Eisner and John R.

Rautio, brother and uncle of the bride.

About 125 guests attended the reception in the church hall. The couple left on a wedding trip to Carmel, following which they are at home in Pacific Grove.

The bride, a 1964 graduate of Albany High school, attended California State College in Hayward. She has been employed in the accounting department of Williams and Lane in Albany.

Her husband, a 1963 graduate of Albany High school, has completed U.S. Navy electronics school in Memphis, Tenn., and Lemoore Naval Air station. He is now stationed in Monterey, continuing his education in electronics at Monterey Peninsula Junior College.

Will Your Child Spend First Day of School in Bed?

Most kids spend the first day of school breaking in a new desk, sizing up the teacher, and making a few friends at recess.

But far too many Bay Area children will spend the first day of school home in bed, suffering from the effects of a disease which could have been easily prevented.

Dr. James C. Malcolm, Alameda County Health Officer, says "More than 240,000 children go to school each day, and it is our duty to protect them from the effects of a disease which could have been easily prevented. Dr. Malcolm and the physicians of health departments and medical societies in eight Bay Area counties are conducting the SOS—Stamp Out Sickness—campaign to urge all parents in Alameda County to see their family physician or the county health department and arrange for the necessary shots."

Dr. Malcolm and the physicians of health departments and medical societies in eight Bay Area counties are conducting the SOS—Stamp Out Sickness—campaign to urge all parents in Alameda County to see their family physician or the county health department and arrange for the necessary shots."

AHS Graduate Wed

LAUREEN DALEY, daughter of Mr. and Mrs. Wes Daley of Oakland, was married recently to Thomas M. Crimmins, son of Mr. and Mrs. John D. Crimmins of Sonoma. Attendants included Nancy Anberg of Sausalito and Fedela Cruz of Albany. Following a wedding trip to Yosemite, the couple is at home in McCloud. The bride is a graduate of Albany High school and a junior at Humboldt State College in Arcata. Her husband is a graduate of Sonoma high school, Modesto Junior College and Humboldt State college. He is a forester for the U.S. Forest Service in McCloud.

ALBANY ADULT SCHOOL

According to recent studies by the California Department of Labor the average adult worker in the state changes his way of making a living five times during his working years. This trend, plus the fact that more and more employers insist on at least the high school diploma for their applicants, points up the real need of those adult members of this community who have postponed this obligation to face facts and do something about it.

The Albany Adult program will offer a Fall program directly aimed toward obtaining the high school diploma. Students may take classes both during the day and also the evening. Counseling is available and part of this service is to locate previous school records, evaluate work experience, and determine how much further the student has to go in order to complete the requirements. Many are surprised to find that through work experience, military duty, and job training they need only a few courses to complete high school.

The fall quarter will offer students a varied curriculum with most courses applicable toward

high school credit. Academic subjects are included — English, mathematics, history, and foreign languages. A wide selection of commercial, homemaking, art, music classes are also scheduled for specialized interests. The Albany Adult School will provide for instruction in electronics, rapid reading, swimming, ceramics, home gardening, and photography.

The fall quarter begins Sept. 12 and will run for 13 weeks with most classes held at Albany high school. Students wishing information should call 526-6441 and ask for the Adult Education Department or for an appointment with the principal.

INTERIOR DECORATING CLASS BEGINS SEPT. 15

Mrs. George Mitchell of Town and Country Interiors in El Sobrante cordially invites you to attend a class in Interior Decorating and House Design commencing on Sept. 15. The course will be a part of the Albany Adult Education program.

Mrs. Mitchell will cover the dynamics of color and its use in the students' own individual projects. Notebooks will be kept, and individual attention will be given to landscaping, design and function

and the remodeling of architectural errors. Personalized projects will be created using papier mache.

A field trip to a home of unusual charm will be included. Emphasizing budget decoration schemes and the proper use of scale, the course will enable homemakers and students to plan and execute their own design.

For further information, call the Albany Adult Education offices at 526-6441.

Armstrong Applicants Increase

Armstrong College in Berkeley reports an increase in the number of applicants seeking bachelor degrees in accounting and business administration fields.

Applications from veterans seeking to further their education with federal assistance as provided by recent legislation will swell the college's enrollment when it opens the fall quarter Sept. 26.

UN CHAPTER RELEASES RESULTS OF BALLOTING

Results of a straw ballot on admission of Communist China to the United Nations Association of the U.S.A. The ballot, taken over the weekend of August 19-21 at the chapter's booth at the Albany Festival and Merchants' Bazaar, gave adults and youth an opportunity to choose one of three positions as most nearly representing their view point.

In answer to the question, "Should Communist China be in the U.N.?", 178 adults, over 18

years old, and 35 youth responded as follows: "No, never" 41 adults and 12 youths; "Yes, if Nationalist China (Formosa) also stays in the U.N." 48 adults and 15 youth; "Yes, regardless of what happens to Nationalist China" 85 adults and 8 youth. Four adults cast ballots for giving the U.S. seat in the U.N. to Communist China and eight other adult ballots were invalidated for various reasons.

Chapter President Bill Tramp-

pleasure emphasized that balloting was on an honor basis and that the chapter was as interested in stimulating thought on this continuing U.N. question as in the results. He noted that a Gallup poll of November 1964 on whether Communist China should or should not be admitted to the U.N. showed 57 percent voting no, 20 percent yes and 23 percent with no opinion. He also noted that the options did not differentiate between General Assembly and Security Council seating and that the percentage of Festival attendees voting was small.

Additional information on this subject is available from the chapter's Information Center, 3560 Shattuck Avenue, where a China Study Packet prepared by the Collegiate Council for the U.N. is available; from the San Francisco office of the American Friends Service Committee, 2160 Lake Street, where the recent A.F.S.C. report "A New China Policy, Some Quaker Proposals" is available, and from the American Opinion Library, 904 San Pablo Avenue, Albany, source of John Birch Society and other conservative literature.

Tramp also released the following material from a statement on China which was adopted by delegates to the 1965 Biennial Convention of the United Nations Association of the U.S.A. by a

vote of 150 yeas, 0 nays and 22 abstentions:

"We believe it is more urgently necessary than ever for the government and people of the United States to make a calm and thorough reappraisal of the whole Chinese question. The problem of the representation of China continues to be a most serious issue facing the United Nations. The question of seating the representatives of Peking has presented a serious dilemma for the American people. On the one hand, the continuing belligerent attitude of the Peking government militates against its being seated. On the other hand, how long can one fourth of the world's population

be denied representation in the United Nations by the government in effective control?"

He indicated that the statement further warned against the possibility of the Chinese question being resolved over United States opposition and to our disadvantage, urged the United States to state clearly conditions under which we might accept seating of Peking representatives, reaffirmed the conviction that all members of the U.N. must live up to the obligations accepted under the Charter, and concluded by stating that the future of Taiwan should be determined by the people of Taiwan which should be assured a seat in the U.N.

Wentler-Fosselius

Mr. and Mrs. Rodney Wentler (Karin Fosselius)

Informal morning rites on July 9 united Karin Fosselius, daughter of Mr. and Mrs. Carl Fosselius of San Carlos Avenue, in marriage to Rodney Craig Wentler, son of Mrs. Gladys Wentler of Palo Alto. The nuptial service performed by Rev. O. R. Janke took place in Grace Lutheran church, El Cerrito.

The bride, who was given in marriage by her father, wore a self-designed street length Empire sheath of ivory crepe with a lace inset in the tucked bodice. In lieu of a veil, she wore a head-dress of daisies matching those in her old-fashioned nosegay bouquet. The bride was attended by Cynthia Lane Fosselius, her brother George's wife who was gowned in a pale green A-line sheath. Bruce Wentler performed best man duty for his brother. Both mothers wore pale pink with matching accessories.

Following the ceremony, the bridal party and guests who were members of immediate families,

went to the Fosselius home for a buffet luncheon. Among the guests were the bride's grandparents, Mr. and Mrs. George W. Talbot, her brothers, George and Carl-Ernie and Pastor Janke.

The couple honeymooned in Aptos and are now at home in San Francisco, where Rod, as the groom is called, is employed with a film production company and Karin will continue her studies in creative arts at San Francisco State College.

Yip Pupils

Exhibit Friday

There will be a public exhibition of watercolor paintings at the Sailboat House on Lake Merritt on Friday, Sept. 2, from 7 to 9 p.m., all done by the members of Richard Yip's annual East Bay Outdoor Painting Class.

Locations pictured will be the Oakland Embarcadero and Sailboat House, Point Richmond and Richmond Yacht Harbor and views from the Berkeley Marina.

Pupils participating have come from as far away as Eureka, Carmel, Calistoga and Millbrae, and from all of the East Bay cities for this concentrated and productive week with paints and brushes. Visitors can be assured of seeing the usual high quality work turned out by Yip's classes with a notable degree of originality and variety.

at the University of California at Berkeley, where he also received his B.A. degree in social science.

Captain Youngson's wife, Jean, is the daughter of Mr. and Mrs. R. C. Gray of 1216 Garfield Ave., Albany.

Husband of Albany Girl Graduates

Captain James Youngson, Jr., was graduated Aug. 5 from the Air University's Squadron Officer School, Maxwell AFB, Ala.

Captain Youngson was selected for the special professional officer training in recognition of his potential as a leader in the aerospace force.

He is being reassigned to Kelly AFB, Tex., for duty.

The captain is a graduate of Calaveras Union High school in San Andreas, Calif. He received his commission in 1959 upon completion of the Air Force Reserve Officers Training Corps program

STATE OF CALIFORNIA DEPARTMENT OF GENERAL SERVICES OFFICE OF ARCHITECTURE AND CONSTRUCTION

NOTICE TO CONTRACTOR

SEALED PROPOSALS will be received by the Office of Architecture and Construction in Room 1228, 1120 "N" Street, Sacramento, California, until 2:00 P.M. Tuesday, September 13, 1966, at which time they will be publicly opened and read in Hearing Room in Basement at said address, for the MISCELLANEOUS ALTERATIONS — NEW FACILITY, DEPARTMENT OF REHABILITATION, ALBANY ORIENTAL CENTER FOR THE BLIND, ALBANY, ALAMEDA COUNTY, CALIFORNIA, (W.O. AC08 002 C-13), in accordance with the plans and specifications therefor and such addenda thereto as may be issued prior to bid opening date.

In general, this project comprises furnishing and installing unit heater and exhaust fan, temperature control modifications to an existing heating system, modifications to existing exterior lighting fixtures, new electrical panel, including rewiring of existing circuits, lowering existing shrub type sprinkler heads, concrete work, resilient floor covering and other work as indicated.

Bids will be entertained on a lump sum basis only.

Plans and specifications may be seen at the Builders' Exchange Offices, and the Office of Architecture and Construction, 1120 "N" Street, Sacramento, and 1111 Jackson Street, Oakland, and these plans and specifications, together with forms of proposal and Bidder's Bond, may be obtained by requesting them in writing or in person from the Office of Architecture and Construction in Sacramento or Oakland.

Plans and specifications may be obtained without charge and are not to be returned.

No bid will be considered unless it is made on a standard proposal form furnished by the Office of Architecture and Construction and is made in accordance with the provisions of Section 1B of the Specifications. Each bidder must be licensed and also pre-qualified when required. (See said Section 1B.)

Services reserves the right to reject any or all bids, and to waive any informality in any bid received.

Apprentices: Pursuant to Section 1777.5 and 1777.6 of the Labor Code and in accordance with regulations of the California Apprenticeship Council, (See Title 8, California Administrative Code, Sections 18000 et. seq.) and local apprenticeship standards for the trade, properly indentured apprentices may be employed in the prosecution of the work.

Information relative to apprenticeship standards, wage schedules, and other requirements may be obtained from the Director of Industrial Relations, ex officio the Administrator of Apprenticeship, State Building Annex, 455 Golden Gate Avenue, San Francisco, or from the Division of Apprenticeship Standards and its branch offices.

It is State policy to encourage the employment and training of apprentices on public works contracts as may be permitted under local apprenticeship standards.

Prevailing Wage Rates: Pursuant to the provision of Section 1770 of the Labor Code, the Department of General Services has ascertained the general prevailing rate of wages and employer payments for health and welfare, vacation, pension and similar purposes in the County in which

Copies of all collective bargaining agreements relating to the work to be performed as set forth in the aforementioned Labor Code containing information relating to wages, fringe benefits, subsistence, and travel pay are on file and are available for inspection in the offices of the Division of Labor Statistics and Research of the Department of Industrial Relations.

Employer payments other than those hereinafter itemized, as defined in Section 1773.1 of the Labor Code, are to be paid in accordance with the terms of the collective bargaining agreement applicable to the type or classification of the workmen or mechanics employed on the project.

The following shall govern as to overtime and Sunday or Holiday work: overtime work — not less than one and one-half (1½) times the basic hourly rate plus applicable employer payments; Sunday and Holiday work — not less than one and one-half (1½) times the basic hourly rate plus applicable employer payments. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type or workmen employed on the project.

Basic Rate	Classification	H & W	Vacation	Pension
\$4.875	Carpenter	25c phw/p	30c phw/p	30c phw/p
4.665	Cement Finisher	26c phw/p	35c phw/p	40c phw/p
6.35	Electrician	15c phw	3% gw(1)	1% gw(2) (3)
3.925	Laborer	25c phw	25c phw	20c phw
5.76	Plumber	15c phw	37½c phw(1)	20c phw
5.16	Roller Operator	30c phw	20c phw	25c phw
5.53	Sheet Mtl. Wkr.	15c phw	8% gw	20c phw

(1) included in basic rate per hour.
(2) in accordance with "Employees Benefit Agreement"
(3) plus 20c phw for local pension plan.

phw — per hour worked
phw/p — per hour worked or paid.
gw — gross wage

New at Jim Woulfe Ford

JIM WOULFE FORD, Inc. announces the addition of Dick Vera to the sales staff. Vera, a native of Oakland, brings a wealth of automobile experience, having served the Bay Area since 1940. A navy veteran who served in World War II from 1943-46, his hobbies are boating and fishing. Dick and his family live in Rodeo.

RALPH MARTIN has been added to the Sales Staff of Jim Woulfe Ford, Inc., Albany, to serve friends in transportation needs. Martin has a vast experience in all phases of automobile business, over 17 years, including five years as representative for a leading manufacturer. Enthusiastic in boating, fishing and water-skiing, Martin served six years as an officer in the Air Force in World War II and Korean conflict including liaison work with A.E.C. at Eniwetok, Marshall Islands atomic testing grounds on a test project of world's first hydrogen device Martin and his wife live at 3543 May Road, Richmond.

CHAPTER 550, OES

Albany chapter 550, Order of Eastern Star, will honor the Mary Parker Williams club at 8 p.m. Friday, Sept. 2, at Albany temple, 533 San Pablo Ave. Theme of the evening will be "School Days." Druceleia Hobbs, worthy matron, and Raymond Hobbs, worthy patron, will preside.

Every family should
at least discuss
funeral service needs.

It's much easier to discuss now — rather than during the actual time of loss — your family's needs concerning funeral service. And it's much more sensible, too, for you can make much sounder decisions well ahead of time than your family will be able to make under emotional stress.

We will be privileged to help you pre-plan the funeral services, without cost or obligation. Call 525-0246 for an appointment.

MEMBER, THE ORDER OF THE GOLDEN RULE

City Woman With B of A 25 Years

Two staff members of Bank of America's Mira Vista Branch in Richmond are celebrating major anniversaries in September.

William Danska, leading officer at the branch, celebrates 30 years of service Sept. 1, and Patricia Letner of Albany, operations officer at the branch, observes 25 years on Sept. 29.

Danska began his career with the bank in 1936 at the Berkeley Main Office. In 1937 he was assigned to the West Berkeley Branch, where he served in various positions of increasing responsibility for the next 23 years. He accepted his present position nine months ago.

Danska and his wife, Winifred, reside in Orinda.

Patricia Letner accepted her current assignment six years ago. She became the first woman operations officer in Northern California when she was named to that position in the South Berkeley Branch in 1959.

With the bank since 1941, Mrs. Letner served at the Richmond Branch from 1942 until being appointed to the head office in 1950 as a bookkeeping instructor in the staff training section.

Returning to Richmond in 1955, she was named head of the interior section the following year, the position she held prior to her South Berkeley assignment.

Mrs. Letner and her husband, Fred reside in Albany.

Letters

Editor, The Times:

The Albany Schools PTA Committee for Children's Movies would like to thank you for your fine cooperation in helping to publicize the recent junior matinee series.

Your fine front page releases were greatly appreciated. During the summer months The Times was the only line of communication to parents the committee had.

Again, we thank you for your important part in making this matinee series the success it was.

Mrs. Charles Tronoff
Publicity Chairman
Albany Schools PTA
Committee for Children's Movies

Memorial Park Day Camp

GRACE BALDWIN—director, and members of her staff are shown leading a segment of the 180 children enrolled in Memorial Park Day Camp this summer in an exercise demonstration. The successful camp ended last Friday with a party for campers and their parents.

Nine Weeks of Day Camp Ends Aug. 26 for 180 Kids

Nine wonderful weeks of day camp is over at Memorial Park.

Day Camp started June 27 and ended Aug. 26 with 180 children registered and over 100 attending the camp daily. The program schedule was as follows: each Tuesday, swimming; Thursday, bowling; every other Friday, a trip. Trips were taken to Alum Rock Park in San Jose where there was swimming, a small zoo, rides and plenty of room to run and play; Marin Town and Country Club with six swimming pools; Vichy Springs in Napa for picnic and swimming; and last but not least, Frontier Village where the children could ride the rides all day as often as they chose. Campers left for the trips at 10:15 in the morning and returned between 6 and 7 in the evening.

On Friday, Aug. 26, there was a party for the parents and day campers. The children made the invitations and served ice cream and cookies. The directors in charge of the different age groups were introduced and a short exercise showing how well the children worked together followed.

Trophies were presented to the children for bowling. First place for girls went to Anna Nakao and second place to Carrie Eichner. For the boys, first place went to Richard Sutter while Bart Liponovich was presented the second place trophy. A beautiful plaque was awarded Jeanne Haave for outstanding leadership in connection with camp activities.

Dr., Mrs. A. E. Doss Honored at Dinner

Dr. and Mrs. A. Eugene Doss were recently honored by fellow doctors and their wives at a dinner given at the Castlewood Country Club.

Dr. Doss was presented with an engraved gavel in recognition of his having served two years as president of the Alameda-Contra Costa County Chiropractic Society.

Mrs. Doss was presented with a lovely set of ear rings and matching brooch for her many contributions to the Chiropractic Auxiliary and for her assistance in the formation of the Chiropractic Guild, an organization composed of lay personnel. However, Dr. Doss contends that Mrs. Doss was rewarded for having put up with the board of directors meetings which were held in their home each month during the past two years.

ADULT BEAVERS

Adult beavers vary from 30 to 100 pounds in weight and are reported by National Automobile Club to be the largest members of the rodent family in North America.

THIRD HOBBY. STAMP SHOW AT STATE FAIR

The Third Annual California State Fair Hobby and Stamp Show has added appeal for hobbyists of all ages and interests.

The Stamp show section will be a competition exhibit, as the Fourth Annual CEVPEX Philatelic Exhibition has been incorporated into the display. CEVPEX is sponsored jointly by the Sacramento Philatelic Society and the Council of Northern California Philatelic Societies. Stamp exhibits will come from throughout California and a few from out-of-state.

A special exhibit of Pony Express covers will be displayed along with a new saddle and genuine mail to carry the mail.

The hobby show section includes antiques, art, guns, leatherwork, fancy canning and facts. Any collection of "California Pastimes" incorporated into the show. Stop by and see the Pastimes in Action at California State Fair section, building number 4 through 11, in Sacramento.

The main purpose of the show is to encourage stamp collectors

Buffalo Barbecue Set by County Heart Association

Notices of an Alameda County Heart Association "Buffalo Barbecue" are in the mail to some 13,000 Heart Association volunteer workers, inviting them and their families to the Oct. 2 outing at Knowland State Park, 98th Ave. and Mountain Blvd. Oakland.

Festivities are scheduled from 10 a.m. through 6 p.m., with a Sunday picnic luncheon including "giant buffalo-burgers" to be served with the main dish.

In addition to the Heart Association volunteers now receiving their invitations, the general public is also invited to participate in this outing. Donations for the meal are \$1.50 for adults and 75 cents for children over five. Tickets are available through the Alameda County Heart Association and its Fremont Branch office. Tickets may be secured in the Oakland area by calling 444-3564.

According to W. E. "Moose" Dunstan, Oakland insurance executive, who is chairman of this event, the barbecue will include entertainment, prizes and surprises.

One of These Students Will Win

STUDENTS at North Berkeley Beauty school are shown at work in the shop. One will be selected on the basis of courtesy, workmanship, professional attitude, honesty and integrity and salesmanship as "Student of the Year" and winner of a new automobile.

Jagoda Photos Work Selected For Exhibit

Four photographs by John Paul Jagoda, Jagoda Studio, 563 San Pablo Avenue, Albany, were selected for exhibition in the 75th International Exposition of Professional Photography in Chicago Aug. 12.

The exposition was sponsored by the Professional Photographers of America, who held their annual convention at Chicago's Conrad Hilton Hotel. With more than 8,900 members, the 86-year-old PPA is the world's largest association of professional photographers.

More than 4,000 prints were submitted to a select jury of professional photographers from all over the nation. Only 1,321 were chosen for exhibition.

School Offers Car

D. R. MAPLES, director of North Berkeley Beauty School at 1896 Solano, is shown with the new Volkswagen which will be awarded to the Student of the Year at the school.

North Berkeley Beauty School Offers Car to Top Student

D. R. Maples, director of North Berkeley Beauty School at 1896 Solano, Berkeley, has announced that a new automobile is being offered as a "Student Merit Award" for all students at the school.

The Student of the Year will be selected on the following points: courtesy, workmanship, professional attitude, honesty and integrity and salesmanship.

Students will be individually graded in these areas during the 1,600 hour training period as they are trained in all phases of cosmetology.

As freshmen the girls are required to have 160 hours minimum in theory class with a written test at the conclusion. They spend 25 hours in modeling, 25 hours in reception or desk work, 25 hours in laboratory work and 340 hours in what is called unassigned but consists of cleanup, hair straightening, salesmanship and some lectives.

In the different operations, girls must spend a minimum of 400 hours in wet hair dressing with a minimum of 267 operations. This includes styling, combing out, rinse, finger wave and wet curls.

They spend 75 hours minimum in hair cutting which includes thinning, complete haircut, shaping and trim. In the permanent wave division they have a 200 hour minimum with a minimum of 100 operations including machine permanents, machineless permanents and cold waves.

Hawaii Calls At High 12

The award-winning film on the Hawaiian Islands will be shown by Dick Tuning of United Air Lines at the meeting of High 12 club this Friday noon at Kirby's.

The film beautifully depicts the landscape and activities of the islands.

President Wally MacMillan will be absent from the meeting because he will be basking in the sun at Waikiki.

Other freshman operations include hair coloring, scalp and hair treatments, facials and manicuring. Then, provided all tests are passed, they become junior students and remain at this title until they have passed the 1,000 hours required to become seniors.

The girls work from both mannequins and live models before trying their skills out too heavily on customers. The hours they spend are time-clock recorded and must receive certification from their instructors.

As juniors and seniors the operations they must learn and perfect and the hours spent in each division are about the same, but by now they are expected to handle most operations pretty well on their own, learning by experience and getting special tips on handling from their instructors.

St. Jerome's Guild First Meeting Sept. 7

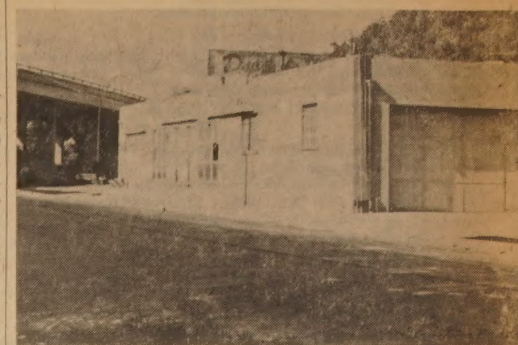

St. Jerome's Guild will resume activities Wednesday, Sept. 7, at 8:15 p.m. in the church parish hall, 308 Carmel Ave., El Cerrito. Mrs. Ernest Brensel, newly-elected president will welcome members and introduce new officers for the 1966-67 term.

Eighth grade room mothers will be in charge of refreshments for the first meeting.

Among the varied activities planned for the coming year is a dinner dance. Mrs. Lyndon Meviah has been named chairman of the event. A Marathon Bridge, under the leadership of Mrs. Robert Sell, will again be featured.

Sister M. Ligoure, principal of St. Jerome's grammar school has set Sept. 6 for registration of all grades first through eighth from 9:30 a.m. to 1 p.m. and from 1:30 to 3 p.m. in the school library. On the first day of school coffee will be served in the cafeteria for all the new and first grade mothers.

New Moose Lodge

ALBANY MOOSE lodge 1972 has leased this old Dependable Refrigeration building on Cleveland for its lodge hall. Members are in the process of renovating it. According to Governor Bill Rhea, plans call for a clubroom, lounge, kitchen facilities and a good-sized meeting hall.

Marin PTA Honors Teachers

The Marin PTA Board will again host their teachers at a luncheon on Sept. 7.

Following the morning session of the Teachers' Institute a luncheon will be served at the Marin School Cafeteria at 12:15 p.m.

Homemaking workshop for the annual October money raiser will not be held the Wednesday of the luncheon. Marin parents are invited to resume attending workshops on Wednesday, September 14, at the home of Mrs. Robert Flavin, 965 Ordway St.

YLI
The members of Berkeley Institute 58 YLI, will celebrate the 58th birthday of the institute, with a dinner to be held at 'The Piper's' in Oakland, on Wednesday, Sept. 7 at 7 p.m. Honored guests will be Rev. Patrick Finnegan of St. Ambrose Catholic church, the institute's chaplain; Miss Mary Rowe, charter member; Mrs. Mary Ellen Smith, district deputy of YLI District 2, and the institute's president, Mrs. Frank Thompson.

SENIOR CITIZENS

846 Masonic Ave.

The center presents a fresh appearance since it went through a recent face-lifting. Drapes were dry-cleaned and windows washed. Now it is ready for fall festivities.

The recent trip to Santa Cruz to the Seniorama has been reported as very enjoyable. Weather was ideal and the box lunch was eaten in the open. Many senior clubs were present and the program was excellent.

The next trip will be on Wednesday, Sept. 28, and is announced a "Zoo-E-Que" at Knowland State park. A catered barbecue will be served followed by a tour of the zoo and park. It sounds like fun so get your reservation in early by calling 526-3078.

Applications are being taken for the class in bridge playing, which is scheduled to begin Friday, Sept. 16, from 1 to 4 p.m. Unless 30 have signed up, it will not be possible to start. Players do not have to be members of the Senior Center, but must be at least 50 years old and willing to pay a fee of \$5 for 10 lessons.

Thinking about lovely inexpensive Christmas gifts for some personal friend? Then you should come in and join the resin-casting class which meets every Wednesday.

PG&E Sponsors Current Events Film Series

Screen News Digest, an award-winning series of motion pictures depicting current events, is available for the fourth consecutive year for students throughout Northern and Central California.

The films are lent to schools without charge as a public service of Pacific Gas and Electric Company. Ten monthly issues are released during the school year.

In the first issue of the coming year, the digest travels around the world to report on four historic happenings during the Summer of 1966.

They are the space conquest of Surveyor and Gemini 10; archaeological investigations in Bolivia; General De Gaulles visit to Russia and a late report of the war in Vietnam.

Later the digest will present a filmed story on the North Atlantic Treaty Organization in crisis, the 25th anniversary of Pearl Harbor, the first Project Apollo flight, with a look at the moonport on Cape Kennedy, and a special report on the 100th anniversary of the purchase of Alaska.

"In these crucial times, when a clear understanding of the dangers, challenges and opportunities facing America and its people is of such great importance, PG&E is privileged to present this public service program as our contribution to a better-informed student community," said Robert H. Gerdes, chairman of the board.

Auditions Set By Squirrel Hill Theatre

To kick off Squirrel Hill Theatre's second year of play production and its first full season Executive Director — John Allen Lowe, has chosen "YOU CAN'T TAKE IT WITH YOU." Kaufman and Hart's uproarious comedy set in the thirties.

Open auditions were held on the stage of the First Unitarian Church of Berkeley's 400 seat Fellowship Hall. Aug. 29, 30 and will be held Sept. 1 at 7:30 p.m. The play will be produced on Oct. 14 and is expected to run week-ends through the end of October.

Financed and controlled through the church's drama committee, Squirrel Hill Theatre is staffed with an executive director, a stage manager, a technical consultant and a business manager elected by the drama committee to their present positions.

Chosen for its light-hearted exuberance following this past spring's beautiful and sombre production of Archibald MacLeish's "J. B.," "YOU CAN'T TAKE IT WITH YOU" offers many "juicy" characterizations for those interested in Little Theatre participation.

The church is located at 1 Lawson Road in Kensington and is reached via Arlington Avenue from Berkeley and Richmond. Additional information may be acquired by telephoning 525-0302.

Shop at home for your own sake and for community progress.

Churches

Evangelical Free Church, 7200 Schmidt, El Cerrito, Sunday services at 11 a.m. and 7 p.m., Pastor Donald Bowman speaking. Music by senior and youth choirs. Sunday school, 9:45 a.m. for all the family with nursery provided. Youth group, 8:15 p.m. Vacation Bible school for the entire family, Wednesday, 7:30 to 9 p.m.

Find Parks Too Crowded? Then Try One of These

As most Californians know, a visit to the principal attractions of Yosemite National Park or Yellowstone in the summer is like Grand Central Station at 5 p.m. The California State Automobile Association says, however, that there are a number of national parks and recreation areas where it is still possible to get away from heavy crowds. In case you are planning a trip this year or want to get started on plans for next summer, here are a few places you should think about.

Lassen Volcanic National Park—165 square miles of beautifully rugged mountains and lake coun-

try with outstanding examples of thermal activity found in boiling pots, fumaroles and mineral deposits of Bumpass Hell, Devil's Kitchen, etc. Hiking trails are delightfully uncrowded. Eight campgrounds. Season, early June through October. Winter sports area open all winter. Location: Northeastern California.

Sequoia and Kings Canyon—The largest of living things, the giant sequoia trees, and the rugged beauty of the Kings River Canyon Road are connected by the Generals Highway, a scenic 47-mile road that connects the two parks. Although the Lodgepole and Grant Grove visitor cen-

ters are busy places, easy trails such as the one to 'Tharp's Log' lead you away from the crowds and many of the trails in the high country are almost deserted. Sequoia National Park is open all year, including accommodations and campgrounds at the lower elevations. Location: Central Sierra Nevada, east of Fresno.

Crater Lake National Park—Most visitors to Crater Lake spend one day driving around the lake and then move on. This year a number of old fire trails are being opened up for walking. There are also mountain trails which lead to the summits of sev-

eral of the high points about the rim and down to the lake. Launch trips on the lake are offered during the summer and rowboats and fishing tackle may be rented. Park is open all year. Overnight accommodations available only from about June 15 to Sept. 15. Location: South-central Oregon.

Glacier National Park—Larger than Yosemite and with only half as many visitors, Glacier Park has 1,000 miles of foot and horseback trails along which you can explore in relative privacy. The magnificent panorama of glacial processes is everywhere evident and a drive along the Going-to-the-Sun Highway is one of the

most scenic anywhere in the world. There are 14 campgrounds in the park as well as many good accommodations at Lake MacDonald, East Glacier, Swiftcurrent Lake and Aggar. Season is usually from May 15 to October 15. Location: Northwest Montana.

Yosemite National Park—Yes, Yosemite, if you know where or when to go. During the summer the Valley itself is extremely crowded, but the Valley comprises only seven of the 1,189 square miles in the park. Up in the high country such as at Tuolumne Meadows and the camps situated along the High Sierra Loop, there are far fewer people and this region may be fairly described as "uncrowded."

HONORED

In recognition of outstanding achievements in the insurance field, Robert W. Bennett 10516 San Pablo Ave., El Cerrito, California will be the guest of Farmers Insurance Group Sept. 18-20 at its Topper Club convention in Monterey, according to R. G. Lindsley, vice president in charge of sales for the company, whose home office is in Los Angeles. Headquarters will be at the Mark Thomas.

Even the Valley itself is not crowded in the spring and fall and if you have no school-age children, this is the time to visit Yosemite. The park is open all year and Highway 140 from Merced is the all-year highway.

MEDICARE

(A Series)

By Gerald O. Dewhirst

The voluntary medical insurance plan of the medicare program helps pay for three kinds of benefits: (1) doctors' services, (2) home health care, (3) other medical services and supplies.

SOCIAL SECURITY

When you enrolled for the medical insurance program and agreed to pay \$3.00 a month for the protection, you signed up for insurance that will help you pay your doctor bills, and also bills

for a variety of other medical services.

But to understand what your insurance does and how it works you will need to know what certain items mean, because you'll be seeing them and hearing them often in connection with medicare. (If you have been unable to clip and save earlier columns in this series, you might wish to clip and save this one.)

\$50 deductible . . . This means that you will pay the first \$50 of covered medical expenses each year.

80 percent . . . This means that as soon as your medical expenses go over \$50 each year, your medical insurance will pay 80 percent of the reasonable charges for all additional covered services for the rest of the year.

Reasonable charge . . . This means that your medical insurance payments will be based on the amounts ordinarily charged by those who furnish services and on the standard charges for similar medical services in your area, as determined by the insurance carrier.

REQUEST FOR PAYMENT FORM . . . This is the form used for claiming medical insurance benefits. For your first claim you may wish to use the forms you will receive with your Medicare Handbook.

Putting the terms together, you will see that your medical insurance will pay 80 percent of your expenses for covered services each year, after you meet the \$50 deductible. Your medical insurance payments will be based on reasonable charges, and the request for payment form should be used to claim benefits.

Two Ways To Claim Benefits

Your medical insurance provides two ways to claim benefits for most medical services you receive — the payment can be made to you (this is called the **Payment to Patient Method**), or you can assign your right to payment to the doctor (this is called the **Payment to Doctor Method**). The same form is used to make a claim under either method. The next article in this series will describe how these two methods of payment work.

Catholic Woman's Group Sets First Fall Meet

Father John F. Ritzius, Director of Newman Hall, will be the guest speaker at the first business meeting of the fall term of the Newman Hall Women's Club on Monday, Sept. 19, at 1 p.m. at Newman Hall, 2639 Ridge Road, Berkeley.

Father Ritzius will bring members up to date on the progress of the new Newman Hall which is nearing completion.

Mrs. Hal Hall, president, will preside.

Mrs. Felicia Stewart is in charge of the program. Following the business meeting and program there will be a social hour. Mrs. William Shield is hostess for the social hour and will be assisted by the Mesdames Robert Graham, Albert Ferreira, Sr. and Tom Lennon.

Measles Immunizations Continue for Tots

"The Berkeley City Health Department will continue to provide measles immunizations to children over one year of age and not yet in first grade," Dr. Alvin R. Leonard, Director of Public Health, announced.

The measles vaccine will now be available through Dec. 31st to children of this age group in the regular immunization clinic every Thursday from 1:30 to 3:30 at 830 University Avenue. The vaccine will also be added to the regular immunization series given to babies in Child Health Conferences.

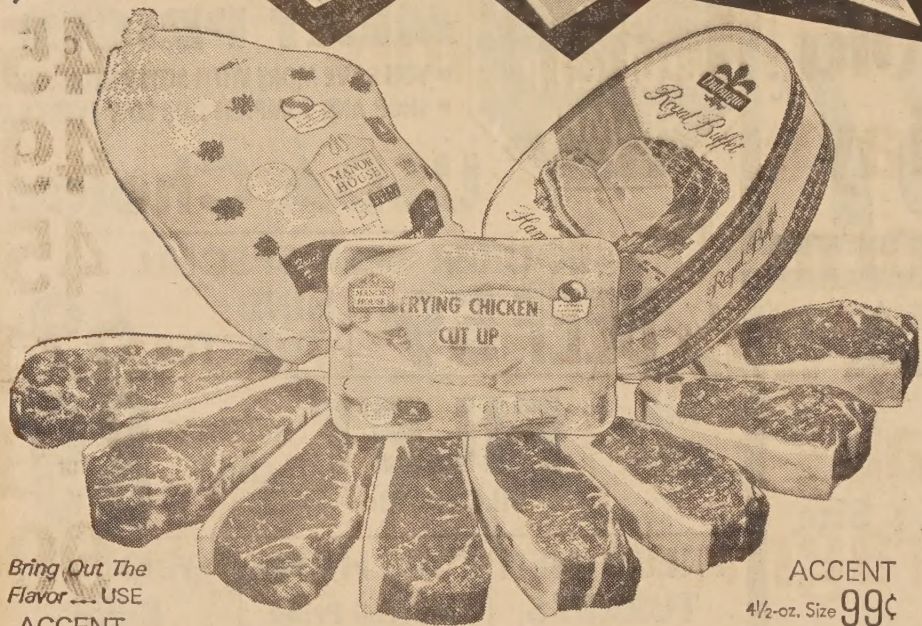

Children over six years of age who are eligible for care under California's Casey Bill can get measles vaccinations as part of regular medical service.

Dr. Leonard urged parents to provide measles protection for their children. Over 500 children in the United States die each year from measles. Hundreds more suffer life-long effects of complications from the disease.

SEWING CLUB

Albany Unit 292, American Legion Auxiliary Sewing Club, will meet at the home of Mrs. Rilla Moore, 628 Evelyn Ave. on Sept. 2 at 12:30 p.m. for dessert and coffee, and to continue with the project of making carpet slippers for the veterans in the Martinez Veterans hospital.
